- AMERICAN SOCIETY FOR HEALTH-SYSTEM PHARMACISTS 2012-2016

ABOUT NATALIE

Natalie Young was born and raised in North Carolina. She studied at the North Carolina School of Science and Mathematics before proceeding to earn her degree in Chemistry from the University of North Carolina at Chapel Hill. After working as a cancer researcher, agricultural chemist and becoming a mother, she went back to graduate school to receive her Doctorate of Pharmacy from the University of North Carolina at Chapel Hill.

Passionate about independent pharmacy and veterinary medicine, Natalie pursued a vision to create the first large-scale community pharmacy program run by a trained veterinary pharmacist. With encouragement from several mentors, Natalie became the first Veterinary Pharmacy Fellow at North Carolina State University's College of Veterinary Medicine and Community Pharmacy Fellow for Hardy-White Pharmacies (Hayes Barton & Falls River Pharmacy). Following her credentialing, Natalie has become the Director of Veterinary Pharmacy at Realo Drugs as well as a Clinical Consultant for the American College of Veterinary Pharmacists. She also maintains her position as CEO of PetPoisonControl.com, a role she has held since its creation in 2013.

When not working or volunteering, Natalie loves to spend time with her husband (Hunter), daughter (Taylor) and Golden Retriever (Bogey). She also serves as an active member of the Junior League of Raleigh and is an avid runner. Grateful for the many blessings and unique opportunities that have been given to her, Natalie continues to seek out ways to give back to the community and foster the growth of others.
